

REGULAR MEETING OF THE CITY COUNCIL
CITY OF CALEDONIA, MINNESOTA
Monday, January 10, 2011

CALL TO ORDER. Following due call and notice thereof, Mayor Burns called the meeting to order at 6:00 p.m. in the Council Room, City Hall.

ROLL CALL. Members present: Mayor Robert H. Burns; Council Members: Randi Vick, Tom Murphy, and Paul Fisch. Members absent: Bob Lemke. Consultants and City staff present: City Attorney Tim Murphy, City Clerk/Administrator Jennifer Feely and Administrative Coordinator Mike Gerardy. Visitors present: Matt Blocker and Argus Reporter Charlie Warner.

AGENDA APPROVAL. The following items were added to the agenda for discussion: Fire Department Hose Request and Liquor Store Inventory Discussion. A motion was made by Member Fisch, seconded by Member Vick to approve the agenda with the addition of the above-mentioned items. All members present voted in favor and the motion was declared carried.

CONSENT AGENDA. A motion was made by Member Fisch, seconded by Member Murphy to approve the consent agenda. All members present voted in favor and the motion was declared carried.

A. MINUTES OF PAST MEETINGS. To approve the minutes of the Regular Meeting held Monday, December 27, 2010, as presented.

B. 2011 UTILITY DEPOSIT INTEREST RATE. To recognize that as per Minnesota law, publicly owned utilities must pay a 3% interest rate on customer deposits for 2011.

VISITORS AND COMMUNICATIONS.

A. CLOSED SESSION WITH CITY ATTORNEY. Mayor Burns recessed the meeting at 6:15 p.m. to go into closed session as per Minn. Stat. §13D.05, subd. 3(b) to discuss pending litigation with City Attorney Tim Murphy. The meeting was reconvened at 7:00 p.m.

B. BRIAN JERVISS, ACE COMMUNICATIONS. Brian Jerviss with Ace Communications was present to discuss a proposed water tower site lease agreement. Jerviss noted ACE's intent to install a Wi-Fi antenna and related equipment on the City's water tower that is located adjacent to City Hall. Discussion ensued. Mayor Burns inquired as to whether there were any concerns with respect to potential interference with existing wireless operations. Jerviss replied that there wouldn't be any such interference with the existing wireless operations. Member Fisch asked if the Wi-Fi service would be available to city residents in addition to the rural residents. Jerviss noted that the service will work in town. Member Murphy asked when the parking lot behind City Hall would be open for use as the agreement requires 24 access to the water tower. Administrative Coordinator Gerardy stated that the parking lot will be cleared for this weekend and that the reason it hasn't been open is because of concerns with snow and ice falling off the water tower. Member Vick inquired as to whether the notice to terminate should be the same for both ACE and Verizon Wireless. It was noted that the agreement with Verizon

Wireless requires 60 days notice to terminate whereas with ACE, 90 days notice is required. City Clerk/Administrator Feely shared that ACE proposed the 90 days notice, not the City. Member Murphy also inquired as to whether Section 18 of the agreement was applicable. Jerviss noted that it was taken from the City's agreement with Verizon and could be omitted as the agreements dealt with two different water towers. A motion was made by Mayor Burns, seconded by Member Vick to approve the proposed ACE agreement, pending the City Attorney's final review and approval. All members voted in favor and the motion was declared carried.

C. MICHELLE VRIEZE, SEMDC: RESOLUTION AUTHORIZING SMALL CITIES DEVELOPMENT PROGRAM (SCDP) FULL APPLICATION. Michelle Vrieze with SEMDC was present to request the Council's consideration in authorizing a SCDP Full Application and Cooperative Agreement. Vrieze noted that Spring Grove will serve as the legal sponsor of the grant and shared that the cities of Caledonia and Houston would also be participating in the application for funding. Discussion ensued. It was noted that SEMDC EDA staff Jane Schiltz attended the September 13, 2010 meeting to request the Council's consideration in participating in the SCDP rehabilitation of commercial and owner-occupied homes. SEMCAC wrote the grant and will be administering the residential loans whereas SEMDC will be administering the commercial loans. The pre-application was submitted and now the full application needs to be submitted. To date, the City has paid \$750 to SEMDC for SCDP grant writing services. Vrieze shared that the grant would allow up to three commercial/housing projects in each of the three communities participating in the application. A motion was made by Mayor Burns, seconded by Member Vick to approve the SCDP Full Application and Cooperative Agreement. All members present voted in favor and the motion was carried.

D. ADMINISTRATIVE COORDINATOR TOPICS.

1. INTERIM USE PERMITS. City Clerk/Administrator Feely and Administrative Coordinator Gerardy shared with the Council that the League of Minnesota Cities recommends that cities adopt what is called an interim use permit if there is a desire to place time constraints on a particular use when considering zoning applications. Attached with the agenda was a proposed zoning ordinance amendment to allow for the use of interim use permits, which was taken from the City of La Crescent's zoning ordinance. A public hearing was set for 6:00 p.m. on Tuesday, February 1, 2011 to consider adoption of the zoning amendment. No official action was taken.

2. LIQUOR STORE SECURITY SYSTEM. City Clerk/Administrator Feely noted that attached with the agenda was pricing for a surveillance system to be installed at the Caledonia Liquor Store. The pricing was obtained from Chief Kurt Zehnder and Administrative Coordinator Gerardy. It was further noted that during a recent consultation with the Liquor Committee, Liquor Store Manager Patty Gavin expressed an interest in the City installing a security camera system at the store. Joe Jennings, Caledonia True Value, was present to discuss various security camera options with the Council. Member Fisch inquired as to the number of cameras needed. Mayor Burns asked if it would be possible to view footage from all cameras at the same time on one screen. Jennings replied that it would be possible to view all cameras at the same time on one main monitor. No action was taken as the consensus was to obtain pricing from Affordable Technology Solutions.

3. KNOX-BOX. Administrative Coordinator Gerardy shared a request received from the Fire Department to look into developing a policy to require that knox boxes be installed on all new buildings. Gerardy explained that a knox box is a system where keys for the business would be kept in a locked box on the exterior wall of a business. Discussion ensued. Mayor

Burns recommended investigating the issue further to see what other cities are requiring. The consensus was for more research to be conducted.

4. PLOW TRUCK SEARCH. Administrative Coordinator Gerardy informed Council that he has not been able to locate a used truck. Gerardy recommended purchasing a new truck off the state bid system. Discussion ensued. Member Fisch noted the age of the current plow truck and complimented the city crews on the good job they do in maintaining the equipment. Member Murphy suggested waiting until July, when the City has a better idea of how much LGA funding will be received.

E. COMMUNICATIONS.

1. MnDOT NOTICE. Attached with agenda was a letter from MnDOT regarding the upcoming highway 44 and 76 resurfacing projects. No action was taken as this was included for informational purposes.

2. SEMLM NOTICE. Attached with the agenda was a letter from SEMLM regarding the annual meeting. Discussion ensued. The consensus was for Mayor Burns, Member Fisch, Member Murphy, Member Vick, and City Clerk/Administrator Feely to attend the meeting in Rochester on January 31. Mayor Burns and Member Fisch will ride together whereas Members Murphy and Vick and City Clerk/Administrator Feely will ride together so as to avoid having a quorum in a vehicle.

3. CALEDONIA FIREMEN'S BLOWOUT ANNUAL APPRECIATION DINNER. Attached with the agenda was an invitation to the Caledonia Fireman's Annual Appreciation Dinner that is scheduled to take place on Friday, January 21, 2011.
